

INT. IN A PUB ON A BUSY SATURDAY NIGHT.

Chris and Dave meet up at the bar.

CHRIS

Hey!! How's it going mate?

DAVE

Awful. I got home this evening and found my wife in bed with Geoff from work.

CHRIS

Oh Shit! I'm sorry to hear that, how are you taking it?

DAVE

I just feel really numb inside, empty, I don't know what to do, I feel like topping myself.

CHRIS

So you don't wanna go clubbing then?

DAVE

Mate, can I ask you for a big favour?

CHRIS

No offence Dave, but If I have to assist in your suicide then that's gonna put a real strain on our relationship.

DAVE

No, not that. I've got these new magic pills that make you forget painful memories. I want to take one but after it kicks in I'll need you to break the news to me gently that Sarah and I have split up. If I could find out in a less painful and traumatic way I think I'll be alright.

CHRIS

Yeah? And then after we can go clubbing!

DAVE

I don't want to think about that right now. Will you help me or not?

CHRIS

I dunno. I'm not very good at breaking bad news. I'll probably just make things worse.

DAVE

There can't be a worse way for me to find out than seeing Geoff's hairy arse bouncing up and down between my wife's quivering thighs.

CHRIS

Good point. Come on then, but if this works we're definitely going clubbing afterwards!

Chris hands Dave a Beer and Dave takes the tablet, he washes it down with the Beer. Dave suddenly gets a spaced out look in his eyes.

CHRIS

How'd you feel mate?

DAVE

(Spaced Out)

Wicked.

CHRIS

OK... Let's check your long term memory is working. What is your full name?

DAVE

(Spaced Out)

David Green.

CHRIS

And where do you live?

DAVE

(Spaced Out)

29 Acacia Road.

CHRIS

No. That's where Banana-man lives. Try again.

Dave was just pretending to be spaced out. He snaps out of his trance.

DAVE

Ha-ha, just kidding!! Why are you asking me all these questions anyway?

Hot looking girl walks by handing out flyers. She gives a flyer to Chris.

HOT GIRL

Alright lads. Passion nightclub, £10 all you can drink.

CHRIS

Thanks love.

Hot girl walks on past.

DAVE

So. Why were you asking me all those questions?

Chris looks longingly at the flyer, then up at Chris.

CHRIS

No reason.

(Shouting)

£10 all you can drink! Let's have it!

DAVE

Yes! Get in!

Chris and Dave drink up and head for the door. As they're leaving.

DAVE (CONTD.)

Hey. I'll give Geoff a call, he'll be well up for this!
