

INT. SANDWICH SHOP.

Customer (Dave) walks into a sandwich shop and approaches the assistant (Colin) behind the counter.

COLIN

Welcome to Big Bob's Sandwich shop!

DAVE

Ah! You must be Big Bob?

COLIN

No I'm Colin. Bob's dead.

DAVE

Bob's dead!? Oh right, well I'm sorry to hear that.

COLIN

And before you ask, he didn't die from food poisoning!

DAVE

When did he pass away?

COLIN

This morning. I haven't had time to call the police yet so I just popped him in the freezer.

Colin swings open a freezer lid and Bob's dead body pops up.

DAVE

Is that hygienic?

COLIN

He's wearing a hair net, what more do you want?

Colin closes the freezer door.

COLIN

In honour of our fallen leader, we're doing a Big Bob Special today. Only £1.50.

DAVE

What's in it?

COLIN

Ham, Turkey...

(under his breath)

...a couple of slices of fresh Bob.

DAVE

What?!

COLIN

Er, Nothing!

DAVE

It's just, for a second there, I thought you said these sandwiches had pieces of Bob in?

COLIN

Haha, no. I was probably speaking metaphorically.

DAVE

Are you sure? I mean I'm no prude! I've broken some taboos in my time, but not cannibalism.

COLIN

Look, I'm pretty sure I would remember if I chopped up my boss, added half a teaspoon of white pepper, sprinkled on some salt, and then grilled him for 20 to 25 minutes. Don't you?

DAVE

Er, yeah I suppose so. Ok go on then, give me a Big Bob special.

COLIN

Here you go. Bon Apetit.

Colin hands over the sandwich. Dave goes to bite into his sandwich when he notices something.

DAVE

Hang on! There's a wristwatch inside this sandwich!

COLIN

Oh er, is there?

Dave takes the watch out and examines it. Close up of the engraving as it's being read.

DAVE

Yeah. It's engraved too, it says "To my big bear Bob, I will love you forever" signed your Colly wolly, boo boo kins.

COLIN

Ah. That's a little unusual isn't it?

DAVE

I should bloody well say it is boo boo  
kins! You've killed Big Bob and now  
you're trying to get me to eat the  
evidence!

COLIN

How dare you! I loved big Bob!

DAVE

Yes, a little too much you sicko! I'm  
taking this sandwich to the police!

Dave runs out of the shop with the sandwich. Leaving Colin  
stood alone. Then the freezer door pops open and Bob pops out  
alive, Bob and Colin start laughing at their trick.

BOB + COLIN

Ha ha ha ha...

COLIN

Did you see the look on his face?! Ha  
ha ha

BOB

No not really, I was inside a freezer!

BOB + COLIN

Ha ha ha.

COLIN

Classic.
