

INT. LIVING ROOM.

Clark Kent is sat at home drinking a cup of tea. He's wearing his Superman costume.

CLARK

(V.O.)

Well that was a good day. I saved the world from the evil Lex Luthor. And now I'm gonna have a nice cup of Tea.

INT. HALLWAY.

Keys rattle. The front door opens and Jimmy enters the house.

INT. LIVING ROOM.

Clark looks worryingly towards the door and then down at his Suit. He gets up and spins round and changes into Clark's clothes just before Jimmy enters.

JIMMY

Hi Clark

CLARK

Hello Jimmy.

CLARK

(V.O.)

The stupid idiot, he doesn't suspect a thing. Oh great! Now my Tea's cold from all that spinning!

Clark looks over at Jimmy who's deep in thought, Clark lowers his specs. and laser visions the Tea hot. Cut to Jimmy now looking at Clark open mouthed in amazement.

JIMMY

Wow!! You just heated up your Tea with eye beams like Superman!

CLARK

No I didn't!

JIMMY

Yes you did. I saw you! Are.. are you Superman?

CLARK

Of course I'm not Jimmy, that's ridiculous. I mean, for starters Superman doesn't wear glasses.

JIMMY

I suppose.

CLARK

And you know me, I'm a bit clumsy
and goofy, I'm always knocking
things over. Superman isn't.

JIMMY

That's true. You are a bit of a
Dick.

CLARK

So clearly I can't be Superman. Uh
Oops!

Clark accidentally on purpose spills his Coffee on Jimmy.

JIMMY

Owww!

CLARK

See. Superman wouldn't have spilled
boiling hot Tea exactly on your
testicles.

JIMMY

No, I guess he wouldn't.

CLARK

So let's just forget all this
silliness and I'll go and get you a
towel.

Clark gets up to leave.

JIMMY

Thanks. Oh and one more thing
Superman.

CLARK

Yes?

JIMMY

Aa-Ha!!

CLARK

Dammit!

Clark turns to face the camera, moves toward it ripping his
shirt open in iconic Supes fashion.

EXT. EARTH FROM SPACE

We see the earth spinning normally. Superman comes out and
flies round it several times turning the earth(and time)
backwards. We see a montage of Clark and Jimmy in
black+white being played back in reverse.

INT. LIVING ROOM.

Replay of earlier scene.

CLARK

So let's just forget all this

3

silliness and I'll go and get you a
towel.

Clark gets up to leave.

JIMMY
Thanks. Oh and one more thing
Superman.

CLARK
What did you call me?

JIMMY
Oh er nothing.

CLARK
(V.O.)
Oh Jimmy, you're such an idiot!
